

The Queensland Chapter Newsletter December 2003

Introduction

Last Newsletter before Christmas and before the New Year so the Committee would like to wish all a very merry Christmas and greetings for the New Year.

the weekend of 13th and 14th December 2003. The Christmas party is on the Saturday night and we'll have the Decathlon there so that an impromptu practise session can be held as well.

This promises to be a lot of fun as aviators from a variety of disciplines get together. Come and join us.

Latest on Watts Bridge

A new committee has been elected at Watts Bridge and the future is looking good there.

The sub-sub lease for our plot at Watts is not yet approved but we are hopeful that Esk Shire council will approve it in the near future. Then we can get the Water Board approval!

Sketches of the proposed clubhouse have been done and we have agreed to spend a few dollars to get formal drawings done so that we can submit them for approval after January 2004.

Christmas Party

This Weekend!!!!

As we are now members of the Watts Bridge Memorial Airfield we are planning to join them in their Christmas bash over

Judges Home Study Course

Don't forget the home judges course.

This has been planned to take place at Mal's Flying School at Archerfield (Mal Beard Aviation) on Sunday 8th February 2004. Mal's place is on Qantas Avenue at Archerfield; this is just down from RQAC towards Bob Tait's and is just passed Gil Layt's school.

If I don't see you at the Christmas weekend at Watts Bridge have a great Christmas and New Year.

Safe Flying
